Dear Sirs!

Our team expresses its respect to you and, taking this opportunity, offers cooperation in the field of protection, management and enforcement of intellectual property (hereinafter – IP).

Recently, business cooperation between Belarusian enterprises and business representatives from South Asian countries has been stepped up, the main priorities are production cooperation aimed at creating high-performance, export-oriented and innovative business projects in the fields of science and production technologies, as well as investment cooperation.

In this regard, a special role is played by ensuring proper patent-legal work to ensure the interests of IP authors and owners, as participants in the relevant business processes.

Our company offers mutually beneficial cooperation to both Belarusian and foreign enterprises in the field of patent and legal activities.

Extensive professional experience and responsibility of our young, dynamically developing team will provide a high-quality and prompt solution to patent and legal problems of any complexity on the territory of the Republic of Belarus and foreign countries. We will competently and on time provide patent and legal services of any complexity, including:

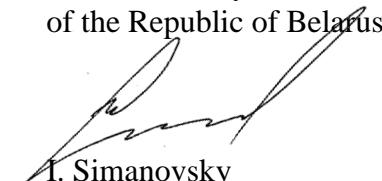

- ✓ preparation and filing applications for the provision of IP protection;
- ✓ support and execution of all types of transactions with IP (license agreements, assignment contracts, franchise agreements, pledge agreements, etc.);
- ✓ protection of interests in state and international authorities, the Judicial Board on Intellectual Property Cases of the Supreme Court of the Republic of Belarus.

We are constantly expanding the circle of business ties, improving the qualifications and language practice of our specialists, which allows us to represent the interests of our clients at the highest level. The confidentiality of information received from the client is guaranteed.

We will be grateful for your cooperation.

Yours faithfully,

Head of IP practice,
Patent Attorney
of the Republic of Belarus

I. Simanovsky
